**DISMISSAL ORDER**

**REVIEW BY THE ZONING ADMINISTRATOR**

The application was accompanied by a memorandum from the Zoning Administrator certifying the required relief.

**BACKGROUND**

The subject application was filed with the Board of Zoning Adjustment (Board) on November 12, 2004. Pursuant to 11 DCMR 3113.3, notice of the January 25, 2005 public hearing was sent to the applicant, all owners of property within 200 feet of the subject site, the Advisory neighborhood Commission (ANC) 4B and the District of Columbia Office of Planning (OP). The applicants did not post placards at the property regarding the application and public hearing and as such did not submit an affidavit to the Board to this effect. By letter (Exhibit 21) dated January 12, 2005, the applicant requested that the Board postpone the January 25, 2005, hearing until a later date. The Board granted the applicant's request. The postponement date was set for March 29, 2005.

By letter (Exhibit 22) dated March 18, 2005, the applicants requested a postponement of the rescheduled March 29, 2005, hearing. This was the second postponement requested by the applicants. On March 29, 2005, as a preliminary matter, and without the applicants presence, the Board granted the request for postponement of the hearing and rescheduled the hearing to September 13, 2005. The Board instructed the applicants to be ready to proceed with their application on September 13, 2005. The Office of Zoning advised the applicants by letter (Exhibit 23) of the Board's action.

No further reasons for the postponement were given in the letter. On September 13, 2005, the Board considered the applicant's third request for postponement of the hearing. The Board denied the requested postponement. The applicants did not appear before the Board ready to at proceed with the hearing. As such, the Board dismissed the application for failure to prosecute.

Pursuant to 11 DCMR § 3101.6, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. It is therefore **ORDERED** that this application be **DISMISSED**.
